

## **FREE** Accident Management Health Check

**Give us 20 minutes...**

...and we'll give you ways to cut costs **and** administration

We all know that running a fleet can be a complicated and time-consuming operation. So if we can identify ways streamline your accident management procedures AND save you money, then what do you have to lose?

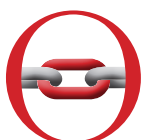

**Here are some of the key ways we have helped companies just like yours:**

1. **Reduced** vehicle off-road times.
2. **Reduced** claims experience.
3. **Reduced** third party damage costs.
4. **Reduced** outlays – improving cashflow and simplifying payments (eg: policy excess, VAT)
5. **Reduced** administration

We're here to help and assist. We will work with your internal fleet department, finding a bespoke solution to meet the needs of your fleet and your drivers.

Over the years, Alan Murdoch has built himself a considerable reputation within the industry for being fair, honest and reliable, using only reputable and highly-respected professionals who are dedicated to sorting out your requirements as quickly as possible.
